Chiknayakanhalli, Huliyur, Boranakanive, Sira and Marikanave, those places and this taluk also would grow into importance. Railway Cess is being paid since its inception and no benefit is derived thereby.

First Member of Council.—It is not possible to say when this can be done. It will have to be deferred a long time.

SUBJECT No. 285.

Location of the Gubbi Sub-Division Office at Tiptur.

Messrs. D. S. Mallappa and Chikthimmegowda, Tiptur Taluk.

Messrs. Mallappa and Chikthimmegowda.—The Gubbi Sub-Division Office may be located at Tiptur as it is centrally situated. A building is also available for rent.

Dewan.—The Revenue Commissioner will be consulted.

SUBJECT No. 286.

Female Dispensary at Tiptur.

Messrs. D. S. Mallappa and Chikthimmegowda, Tiptur Taluk.

Mr. Mallappa.—We have been asking for a female dispensary for Tiptur for the past so many years. Medical aid is inadequate at Tiptur which is an important centre of commerce. The present Sub-Assistant Surgeon is not of much use to the people as he is not attending the hospital regularly. He should be changed.

Dewan.—The matter will be referred to the Senior Surgeon.

SUBJECT No. 287.

Supply of water to Dharmasagara *atchkat* lands from the Mavattur tank.

Mr. K. Gundappa, Koratagere Sub-Taluk.

Mr. Gundappa.—The bed of Dharmasagara tank is silted up. Consequently it is incapable of irrigating the full atchkat of 500 acres under it, but out of 3,000 acres which the Mavattur tank is calculated to irrigate, only 1,700 acres are now under wet cultivation. It is therefore prayed that Mavattur tank water may be ordered to be given to Dharmasagara lands for two months in summer for *vaisakhi* crop. The raiyats are prepared to pay contribution of Rs. 20 per acre for all the 500 acres of Dharmasagara and a proportionate higher assessment also.

Dewan.—Some people say they do not want it. I have told the parties to see the local officers. The Deputy Commissioner will consult the Public Works Department and submit a report to Government. Orders will be passed soon.

KOLAR DISTRICT.

(Nos. 288 to 298.)

SUBJECT No. 288.

Establishment of Bench Magistrates' Courts in the Kolar District.

Mr. G. Girmaji Rao, Kolar Taluk.

Mr. G. Girmaji Rao.—The establishment of a Bench Magistrates' Courts in the Kolar District was promised, but no action seems to have been taken in this behalf. This matter was represented to the Dewan during his recent tour.

Dewan.—Noted.

chemicals which, if applied, will bring about the destruction of the growths.

Dewan.—The matter is being investigated.

First Member of Council.—The Director of Geology has also seen this and he states that nothing is possible and the present time is also not convenient for anything to be done.

SUBJECT No. 271.

Construction of a new building for the V.E. School at Halebid.

Mr. H. S. Chikkanna-gowda, Belur Taluk.

Mr. H. S. Chikkanna Gowda.—A new spacious building may be constructed for holding the V. E. School at Halebid as the present building is situated by the side of the high road and cannot accommodate more than 50 or 60 boys while the number of boys of compulsory age is 120. When Rajakaryaprasakta Rao Bahadur M. Shama Rao, M.A., was the Inspector-General of Education, the Compulsory Education Scheme was given effect to and we are representing this building question for the past five years. There are 50 or 60 students to join the school. No encouragement is given till now.

Inspector-General of Education.—No building is available in the village.

Dewan.—The matter will be noted and considered when next year's budget estimates are prepared.

SUBJECT No. 272.

Water-supply to the Arsikere Town.

Messrs. Maralusiddappa and Rudrappa, Arsikere Taluk, and M. Channabasappa, Arsikere Municipality.

Summary of Discussion.—In the previous years, the Railway Department also felt the necessity for the water. The Municipality was also asked what amount they would contribute towards the cost of the scheme. They agreed to pay one-fourth.

First Member of Council.—The estimated amount is 2 lakhs of rupees. It is only in those places where the Municipality can contribute, the Government can consider the matter. The income of this Municipality is Rs. 21,000 and the expenditure is Rs. 33,000 and if a resolution of the Municipal Council in the matter is sent to the Government, it will be considered.

SUBJECT No. 273.

Execution of repairs to the Uttaradi Matt buildings at Hole-Narasipur.

Messrs. K. Naranappa and G. Komaraiya, Hole-Narsipur Taluk, and B. Venkatasamappa, Hole-Narsipur Municipality.

Mr. K. Naranappa.—The Uttaradi Matt buildings at Hole-Narsipur are in a dilapidated condition. The execution of repairs out of the annual grant made to the matt is being urged for the last two years. It is prayed that orders may be passed early.

First Member of Council.—The Muzrai Commissioner will investigate the matter.

SUBJECT No. 274.

Opening of a flag station at Bantaratalalu village.

Messrs. K. Narnappa and G. Komaraiya, Hole-Narsipur Taluk, and B. Venkatasamappa, Hole-Narsipur Municipality.

Mr. K. Naranappa.—A flag station may be opened at Bantaratalalu village, Hole-Narsipur Taluk, which is situated on the Mysore-Arsikere line as it will serve the people of the adjoining villages and create facilities for transhipment of mica, etc., collected at the Kabbur Mines.

First Member of Council.—This will be considered.
